

Course Name:

Medical Care Training Aboard Ship STCW 95 Compliant NMCI TS

Course Price:

€ 945

Short Description:

5-Day Medical Care training allowing student competency to participate effectively in co-ordinated schemes for medical assistance on ships at sea

Course Type:

STCW'95 & non STCW'95

Full Description:

Objectives:

On meeting the minimum standard of competence in Medical Care, a student will be competent to participate effectively in co-ordinated schemes for medical assistance on ships at sea and to provide the sick or injured with a satisfactory standard of medical care while they remain onboard, as outlined on Table A-VI/4-2 of the STCW Code.

On completion of the course, the student will be able to demonstrate competence to:

- Detect and identify medical problems onboard
- Provide medical care to the sick and injured while they remain on board.
- Participate in co-ordinated schemes for medical assistance to ships.

Please note, joining instructions are sent to all delegates in advance of training. If your company has made a booking on your behalf, joining instructions will be sent directly to the booker. These should be forwarded to you. If you do not receive your joining instructions at least 2 days in advance of the course, please contact our admin team.

For any queries please contact the admin team on + 353 21 4335609 or email nmci.services@mtu.ie
