

## Course Name:

GWO Basic Safety Training Fire Awareness (FAW)

## Course Price:

€ 180.00

## Short Description:

The aim of this module is to enable the participants to prevent fires, make appropriate judgements when evaluating a fire, manage evacuation of personnel and ensure all are safely accounted for in the event of an unmanageable fire.

## Course Type:

GWO Courses

## Full Description:

The aim of this module is to enable the participants to prevent fires, make appropriate judgements when evaluating a fire, manage evacuation of personnel and ensure all are safely accounted for in the event of an unmanageable fire. If the incident is judged to be safe, the participants should be able to efficiently extinguish an initial fire by using basic handheld firefighting equipment.

### Lessons include

#### **LEGISLATION**

The aim of this lesson is to enable the participants to comply with legislation and requirements that apply to fire prevention and firefighting equipment related to the industry.

#### **FIRE COMBUSTION AND FIRE SPREAD**

Precise venue to be confirmed closer to the date of the course.

 28/08/2025

 09/10/2025

## Course Prerequisites

 The course participant shall have created a personal profile in WINDA and have provided their WINDA ID prior to completing the GWO training.

 The course participants shall be medically fit, appear well-rested and be capable of fully participating showing no signs of fatigue, substance

The aim of this lesson is to enable the participants to understand combustion, fire spread, the different types of fires and the composition of smoke. In addition, to understand the elements needed for a fire (and more importantly) how to extinguish a fire and the dangers of smoke.

### **FIRE EXTINGUISHING**

The aim of this lesson is to enable the participants to assess a fire and, if needed, to be able to identify the right extinguishing media according to the fire classes. Furthermore, this lesson shall enable the participants to act according to the contingency plans in a WTG.

### **FIRE PREVENTION**

The aim of this lesson is to enable the participants to take preventive measures to improve fire safety in a WTG.

### **FIREFIGHTING EQUIPMENT IN A WTG**

The aim of this lesson is to enable the participants to be able to use firefighting equipment in a WTG efficiently without the risk of injuries.

### **PRACTICE AND SCENARIO-BASED TRAINING**

The aim of this lesson is to enable the participants to assess a fire and if needed, efficiently extinguish a small fire without the risk of injuries.

**Duration:** 4Hrs.

**Prerequisites:** Delegates shall create a personal Delegate profile in WINDA and provide their own WINDA ID prior to completing the BST training.

All personnel participating in Basic Safety Training shall be medically fit and capable of fully participating.

Please note, joining instructions are sent to all delegates in advance of training. If your company has made a booking on your behalf, joining instructions will be sent directly to the booker. These should be forwarded to you. If you do not receive your joining instructions at least 2 days in advance of the course, please contact our admin team.
